## THE PARTNER PROGRAM

*„Coming together is a  
beginning, keeping  
together is progress,  
working together  
is success.“*

Henry Ford

You will be on fire.

Our partners use the advantages of an established brand and the power of a strong team. They rely on our corporate identity, have access to our network, profit from our experiences and our well-known positive reputation.

A white twin-engine jet is shown from a low angle, flying towards the right. The aircraft is white with dark windows and engines. It is flying through a blue sky with large, white, fluffy clouds. The text "Together we will fly high – our services as partner." is overlaid in white on the top right of the image.

Together we will fly high  
– our services as partner.

For our partners, we provide the following beyond project brokerage:

- Mediation in case of problems—we are your advocate towards the client
- Your invoices are paid immediately
- We insure you with an all-round care-free package
- If you gain us clients, you are granted provision
- Our attractive incentive program will reward you additionally

As your partner, we will  
always be there for you.

Let us place you even in case of direct inquiries:

- We negotiate an optimal daily rate at low margin
- You enjoy trade indemnity, insurance cover and fast payment targets
- We back you up in difficult times during a mandate.

Good daily rates for you and  
no prolonged waiting for  
your bills to be paid.

We have the reputation to always negotiate good daily rates. Professional work and great efforts pay off for our Interim Managers. Literally!

EXECUTIVES.AGENCY effects payment straight away –  
at the latest the day after receipt of your bill.

Our partnership offers one  
important extra:  
Your financial security.

A man in a white t-shirt is sitting on a wooden pier, looking out at a vast blue ocean under a clear sky. The pier is made of wooden planks and has a small metal post. The ocean is a deep blue, and the sky is a lighter blue with some distant clouds. The man is seen from behind, looking out towards the horizon.

Even if one client becomes insolvent, your claims resulting from interim mandates will be met – as our Partner, you can trust in that. Let us find out together what your security cover is like in case of financial loss.

Decide for yourself if you want to cancel your existing insurance or to convert it to premium-free.

Increase your honorarium and  
daily rates without extra effort.

We reimburse you 25% of our placement margin for project inquiries you pass on to us - for as long as the passed-on mandate continues!

Recommend EXECUTIVES.AGENCY if you see vacancies on the market. Even if your mandate has ended, your commission claim remains.

Our thank you present for your  
assistance: The EXECUTIVES.
